Guaranteed Acceptance with a New York Publisher Launched Joel Comm's Path to Next Internet Millionaire

Glenn Dietzel, author and infopreneur guru, demonstrates to fast write a money-making book in less than 12 hours and build a business focused on multiple streams of income.

Joel Comm created the world's first online reality show, The Next internet Millionaire, on which contestants vied for the opportunity to work in a joint venture with him. Just a few years ago, he was an aspiring author with an idea for a book that would launch his business.

Mark Victor Hansen, co-creator of the popular *Chicken Soup for the Soul* series, stated that the best lead generator is a book. McArthur's book, now in the hands of his publisher, is designed to be entrepreneurially sound so that it naturally leads readers into a deeper relationship with the author and his material.

Joel Comm sought coaching from Glenn Dietzel of AwakenTheAuthorWithin.com for assistance with the writing and business development process. His book *The AdSense Code* became a #6 New York Times Bestseller. More than just a book, it naturally led people to Comm's coaching and other services.

Comm invested in a proven system that teaches would-be authors how to write a money-making book in 12 hours of actual writing time and use it as a lead generator for a thriving business. Glenn Dietzel of AwakenTheAuthorWithin.com has dozens of video testimonials of successful clients on his website and blog, including Comm's story..

Dietzel's Entrepreneurial Authoring Program and individual business mentoring teach clients how to create a book that is an entrepreneurially sound lead generator for a well-structured business. A book that is entrepreneurially sound naturally leads readers to interact with the author and continue to do business again and again. The book is designed as an invitation to take part in the author's other services. Special offers and free gifts of value to the reader are tucked into the pages of the book.

Those who go through the program enjoy guaranteed acceptance by a books in bookstores New York Publisher. David Hancock of Morgan James Publishing offers the advantages of a New York Publisher without the drawbacks. His entrepreneurial publishing model gives authors control over their own books, influence over cover design, and most importantly, his authors retain full rights to their books and earn a 20 per cent commission on each sale.

Dietzel offers his case study driven Basic Authoring for Business Profits e-Class at no cost for those who register at <http://www.AwakenTheAuthorWithin.com>

Glenn Dietzel, a former Vice Principal with Two Post-Graduate Degrees, replaced his income and his wife's income with a proven, breakthrough system he created. He now teaches his clients how to replicate his proprietary program. Glenn is founder and President of Awakened, LLC (<http://www.AwakenTheAuthorWithin.com>). Glenn also provides keynotes, seminars, workshops, teleseminars, and bookcamps™, as well as being known as an international speaker. In addition helping entrepreneurs with business authoring, he also teaches entrepreneurs and business owners how to successfully create a digital product and then build an online business that produces consistent, multiple streams of income.
